## **INFRASTRUCTURE FACILITY**

A very good uniquely designed school building gives the look of a flying bird in its aerial view has its Class Rooms digitalized with a capacity of 24 students per class room. Well furnished labs of Biology, Physics, Chemistry and Computer distinctively designed to the international standards.

## **LOCATION**

Located on a hill top in the lush green Western Ghats, 18 km from the world famous Idukki Arch Dam, 60 km from Munnar, 50 km from Thekkady and 100 km to Cochin Airport.

## **CBSE CURRICULUM**

CBSE curriculum from Grade-1 to 12 with Science and Commerce streams keeping in mind the overall development of the students. We ensure that theoretical and practical knowledge go hand in hand.

## HOSTEL

Boys and girls are accommodated in separate buildings. Each dormitory contains about 16 beds with sufficient wash rooms attached. Each one is given a cabinet, to store the cloth items with a provision to hang used dresses and to keep the footwear and personal bags. The dormitories are connected to Solar Heater and solarpower supply. Hot water is available at any given time.

## FOOD AND DINING HALL

With a weekly menu children are fed 5 times a day. Everyday non-veg is available. The dining hall is a large hall of '100x50' with no pillar in the middle and it can accommodate 650 people at a time.

## EDEXCEL CURRICULUM

The IGCSE is regarded as an international alternative to many national curricula. Its qualifications are usually based on the individual subjects. We offer IGCSE (**Grade 10**) with English , Mathematics,(compulsory ) Physics, Chemistry, Biology for Science stream and Accounting, Economics, Business for Commerce stream. We also offer Pearson Edexcel curriculum for **11&12** both Science and Commerce stream.
